

# THE CRATER RIM

## WAIPARA PINOT GRIS 2019

### VINEYARD

The fruit from this wine was sourced from a single Waipara Valley vineyard. The fruit is left on the vine to ripen until the berries start to lose moisture and shrivel, concentrating the flavours and producing a rich style of Pinot Gris.

### SOIL TYPE

Alluvial gravels

### WINEMAKING

The fruit was hand-picked and meticulously hand sorted. The juice was fermented warm by indigenous yeasts in aged French oak barrels.

### TASTING NOTES

Richly fruited and beautifully fragrant, the bouquet shows apricot, poached pear, orange peel and floral characters, leading to an elegantly opulent palate that's wonderfully weighted and flavoursome. It's succulent, silky and mouthfilling, making it highly enjoyable. Sam Kim - Wine Orbit
