

# THE CRATER RIM

## WAIPARA PINOT GRIS 2020

### VINEYARD

The fruit from this wine was sourced from a single Waipara Valley vineyard. The fruit is left on the vine to ripen until the berries start to lose moisture and shrivel, concentrating the flavours and producing a rich style of Pinot Gris.

### SOIL TYPE

Alluvial gravels

### WINEMAKING

The fruit was hand-picked and meticulously hand sorted. The juice was fermented warm by indigenous yeasts in aged French oak barrels.

### TASTING NOTES

A superb expression of the variety; the fragrant bouquet shows grilled peach, poached pear, rockmelon and mixed spice aromas with a hint of flinty overtone. It's equally impressive on the palate delivering excellent concentration and intensity, beautifully complemented by plush texture and refreshing acidity, finishing persistent and delicious.
