

# THE CRATER RIM

## WAIPARA RIESLING 2014

### VINEYARD

The fruit for this wine was sourced from a single vineyard on the southern terrace of the Waipara River. The vines were low cropped and sustainably managed on limestone rich soils to create a wine that is completely expressive of its origin and vintage.

### SOIL TYPE

Glansnevin gravels

### WINEMAKING

The fruit is slowly fermented in stainless steel tanks to preserve crisp fruit characters.

### TASTING NOTES

A medium style of Riesling that is balanced with fresh acidity and has a focused minerality on the palate. Expect white flowers, lemon and lime on the nose. Grown on the alluvial soils of Glasnevin, Waipara, this is a true reflection of a Waipara Riesling.
