

# THE CRATER RIM

## WAIPARA RIESLING 2020

### VINEYARD

The fruit for this wine was sourced from a single vineyard on the southern terrace of the Waipara River. The vines were low cropped and sustainably managed to create a wine that is completely expressive of its origin and vintage.

### SOIL TYPE

Glansnevin gravels.

### WINEMAKING

The fruit is slowly fermented in stainless steel tanks to preserve crisp fruit characters.

### TASTING NOTES

It's gorgeously expressed on the nose, showing mango, ripe apricot, honey, warm spice and rich floral aromas. The palate displays excellent weight and intensity, wonderfully framed by creamy mouthfeel and delectable sweetness. It's superbly structured by beautifully pitched acidity, making it delicious and highly enjoyable. Sam Kim – Wine Orbit
