

THE CRATER RIM

WOOLSHED BLOCK SAUVIGNON BLANC 2013

VINEYARD

Made in only the best years, this single vineyard Sauvignon Blanc was selected from the CYCLEROAD vineyard in the Waipara Valley. The vines were low cropped and sustainably managed to create a wine that is completely expressive of its origin and vintage.

SOIL TYPE

Silty Clay overlaying alluvial sandy gravels

WINEMAKING

Fruit was hand-picked and gently whole bunch pressed before fermentation in seasoned French oak barriques. The wine was then aged on lees in barrels for 10 months.

TASTING NOTES

Wonderfully maturing sauvignon, the complex bouquet shows baked apple, lemon curd, beeswax, dried herb and orange peel aromas, followed by a succulent palate that is beautifully weighted and flavoursome. It is juicy and lively while offering creamy texture and rounded mouthfeel, finishing long and delightful. Sam Kim, Wine Orbit
